INTRODUCTION

The Entrepreneurship Cell (E-Cell) of IIIT Bhubaneswar is excited to present E-Summit 2025, a dynamic three-day event crafted to celebrate innovation, foster collaboration, and ignite entrepreneurial dreams. As one of the premier platforms for aspiring entrepreneurs, startups, investors, and enthusiasts, this summit promises to bring together diverse minds to shape the future of India's startup ecosystem.

With carefully curated events and activities, E-Summit 2025 is set to inspire, empower, and transform ideas into action. Join us as we embark on a journey to redefine entrepreneurship and create a lasting impact on innovation in India.

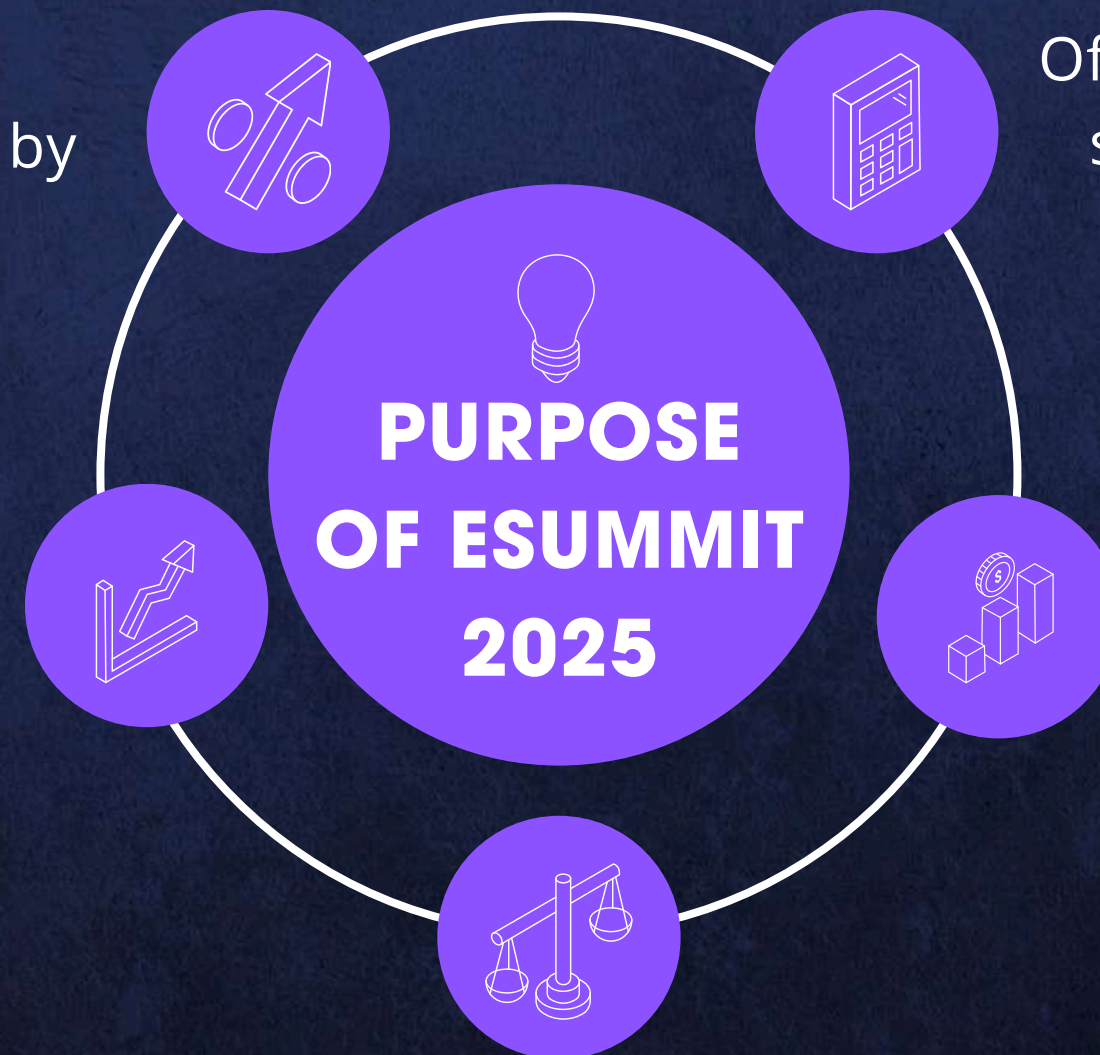

OUR AGENDA

Inspire Action

Motivate participants with insights, success stories, and challenges shared by trailblazers.

Empower Youth

Instill confidence and enthusiasm among students to take bold steps in their entrepreneurial journeys.

Build Ecosystems

Create an environment that encourages collaboration, mentorship, and funding opportunities.

Catalyze Innovation

Offer startups and innovators a stage to showcase groundbreaking ideas and solutions.

Foster Connections

Provide an unparalleled networking platform to connect with mentors, investors, and peers.

SPEAKER'S SPOTLIGHT

For 3 electrifying days, meet visionary leaders and influencers sharing groundbreaking ideas that will ignite your passion and transform your future. New speakers every day, endless inspiration, and opportunities.

Exchange

Founders
Renaissance

Manthan:
Ideas That Matter

VERBAL COMBAT

The debate competition is set to be a riveting intellectual battle as students from diverse campuses come together to voice their opinions on the topic, “*Innovation and Startups in India’s Growth Story.*” This engaging session will challenge participants to think critically and defend their arguments against equally passionate peers.

STARTUP EXPO

As the evening unfolds, the campus will transform into a bustling hub of innovation and enterprise. Over 120 startups from across India will gather to showcase their groundbreaking ideas at the *Startup Fair*. Each stall will tell a story of ambition and ingenuity, offering visitors a glimpse into the future of business and technology.

Adding to the excitement, angel investors and venture capitalists will circulate through the fair, evaluating ideas and offering invaluable feedback.

INNO-THON

The first day concludes with the adrenaline-fueled *Inno-thon*, a 12-hour coding marathon organized in collaboration with Code-X Novas. Participants will work tirelessly through the night to develop innovative solutions to real-world problems.

This event is more than just a test of technical skills—it's a celebration of creativity, collaboration, and problem-solving. Teams will brainstorm, code, and refine their solutions, driven by the promise of recognition and rewards.

VISION PITCH

As the hackathon progresses, teams will pitch their innovative ideas to an esteemed jury, showcasing their problem-solving prowess and creativity. Each pitch will highlight the team's vision, technical skills, and the practical applications of their solution.

This round is not just a competition; it's an opportunity for participants to receive expert guidance, explore the feasibility of their ideas, and gain confidence in presenting their work to a larger audience.

YOUTH CONCLAVE

The Youth Conclave at E-Summit IIT Bhubaneswar is a vibrant platform designed to empower, inspire, and unite young minds. This event brings together innovative thinkers, changemakers, and emerging leaders to foster insightful discussions on topics shaping the future.

Join us as we delve into themes of entrepreneurship, leadership, sustainability, and innovation. Expect inspiring keynotes, engaging panel discussions, and networking opportunities that will ignite your passion and help you build lasting connections.

NIRMAAN

As part of our E-SUMMIT's CSR initiative, Nirmaan: Pathways to Progress is a Career Development Workshop organized in collaboration with HRDC. This transformative event will be led by a renowned Scientist and an expert Career Developer, offering students from various colleges and rural communities unique insights into innovation, skill development, and career planning. Through expert-led sessions and interactive activities, participants will gain the tools and knowledge needed to build a strong foundation for their future. Free passes will be provided to rural students to ensure equal access to this enriching opportunity.

Responsibility

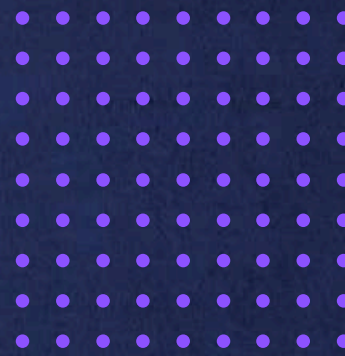

THE GRIND STATION

The afternoon will be packed with engaging activities designed to entertain, educate, and challenge participants. From a high-stakes *Virtual Stock Exchange* competition to intellectually stimulating case study challenges, these events will provide a perfect blend of learning and fun.

Step into the shoes of an entrepreneur and tackle real-world challenges in our engaging *Case Study Competition* (Founder's Renaissance) and strategic problem-solving, allowing participants to craft innovative business solutions to complex scenarios.
